Atef Elhamsa

Flutter Developer

Tanta, Gharbia, Egypt | Email | Phone | WhatsApp | LinkedIn | GitHub

Summary

Results-driven Senior Flutter Developer with a strong foundation in software development and a passion for building scalable, high-performance mobile applications. Skilled in Flutter, Dart, and Python, with expertise in responsive UI design, RESTful API integration, state management, and software architecture. Experienced in Agile methodologies, CI/CD pipelines, and version control using Git/GitHub. Adept at problem-solving, code optimization, and leading projects from concept to deployment. Committed to continuous learning, adopting new technologies, and contributing to innovative development teams to deliver high-quality software solutions that enhance user experience and business impact.

Technical Skills

Programming Languages: Dart, python

Mobile Development & Flutter Tools: Flutter, Bloc, Provider, Firebase, REST API, Dio, HTTP, Localization, Responsive UI, Animations, Clean Architecture, Hive, SQLite, Shared Preferences, MVM Architecture, Navigation, Theme, Testing

Tools & Technologies: Git, GitHub, REST APIs, CI/CD Pipelines, Android Studio, VS Code

Concepts: Problem Solving, Debugging, Code Optimization, Clean Code Principles, Scalable Application Development

Projects

1. **E-commerce App (MrCandy):** Flutter-based e-commerce application with REST API integration, responsive UI, and smooth navigation.
2. **Azkar App:** Daily Azkar mobile app with clean and intuitive UI for enhanced user experience.
3. **News App:** Real-time news app consuming public APIs, with dynamic content updates and notifications.
4. **Responsive Dashboard App:** Fully responsive Flutter dashboard optimized for multiple screen sizes, implementing clean architecture and state management.

Work Experience

Flutter Instructor – Core Academy – Tanta, Egypt (On-site) Jun 2025 – Oct 2025

- Delivered programming and mobile development courses to students, focusing on Flutter, Dart, and Python.
- Designed course materials and practical projects to enhance hands-on skills.

Education

Bachelor of Computers and Information – Tanta University 2022 – 2026

Internships and Training

- **Mobile App Developer Intern – NTI** May 2025 – Jul 2025
  - Completed internship focused on mobile application development using Flutter and Dart.
  - Gained hands-on experience in UI design, state management, and REST API integration.
  - **Certificate**
- **Flutter Summer Intern – ITI** Jul 2025 – Aug 2025
  - Intensive summer internship covering Flutter development, responsive UI, and clean architecture
- **Flutter Development Course – Gammal Tech** Oct 2024
  - Completed comprehensive Flutter course including state management, navigation, and Firebase integration.
  - **Certificate**
